SOURDOUGH WAS  
ORIGINALLY GIVEN TO  
HUMANITY BY THE  
SOUR GODS WHO ARE  
THE OPPOSITES OF THE  
SWEET GODS

& DIDN'T CARE TO LIVE  
IN THE SKY BUT RATHER  
KEPT THEIR FEET IN  
THE MUD

②

PROMOTING THE MUD-  
RELATED LIFE THAT  
WE ALL KNOW VERY WELL  
EVEN THOUGH WE ARE  
NOW DISTANCED FROM IT  
ON ACCOUNT OF OUR  
ASPHALT ROADS

③

THAT GIFT FROM THE  
SOUR GODS GREW TO  
BE THE MOTHER OF  
HUMAN FOOD &  
TAUGHT HUMANITY  
FIRE MAKING & OVEN  
BUILDING TO PRODUCE  
BREAD, THE SUSTAINER  
OF ALL OF US

④

BUT AS THE ALLOFUS  
MULTIPLIED & CIVILIZED  
IT DIGRESSED FROM  
THE ORIGINAL BREAD  
& FED ON HOTDOG  
BUNS, NOT SUITED  
FOR DESIRABLE STOMACHS

THIS SOUNDS LIKE THE  
END OF THE STORY.  
BUT NO, THE BREAD  
ITSELF RISES UP & RAISES  
ITS FISTS AGAINST THE  
HOT DOG BUNS TILL IT  
FINDS BAKERS WITH  
SUFFICIENTLY FERMENTED  
BRAINS

⑥

WHO EVERY MORNING  
WHEN HELIOS RUSHES IN  
TO CONQUER US, TACKLE  
THE DOUGH & LAY FIRE  
IN THEIR QUEBECUOIS-  
STYLE OVENS & BAKE  
THE ORIGINAL LOAVES

⑦

TO FEED THE MODERN  
SOUL THE PRE-MODERN  
ESSENCE THAT IS  
MISSING FROM ITS  
LIFE & PUT AIOLI ON THE  
SLICES TO ENTICE THE  
LOVERS OF THE EATERS  
AS WELL

BREAD  
&  
PUPPET
